ON COURSE DRESS REGULATIONS

* Neat Golf Attire is required on the course and may be worn in the clubhouse.

- * Collared Shorts are considered necessary to comply with dress standards.
- * Dress Shorts may be worn with long or short socks.
- * Denim attire is not preferred on the golf course.
- * T-Shirts and Track Suits are not appropriate on the course or in the clubhouse.
- * Golf Shoes must be worn on the course.

CHILDREN

FINANCIAL STATUS

20. No Member will be eligible to participate in any Club Competition after 30th June, 2011 if not financial or has not paid such Subscription instalment as may be determined by the General Committee from time to time.

SLOW PLAY

The regularly recurring problem of 'SLOW PLAY' is discussed consistently amongst Members. Almost every player/Member of the Club has at some time expressed concern about the effects of slow play on their enjoyment of the game. The following ten suggestions should be of assistance in overcoming this problem.

BY FAR THE MOST IMPORTANT RULE IS BRIEF:

- (a) Each player walks directly to or adjacent to their ball at all times and waits there for the player furthest from the hole to play their shot.
- (b) That they use this time to assess their own shot.

WE REQUEST THAT ALL PLAYERS GET INTO THE HABIT OF PLAYING IN THIS MANNER.

HERE ARE SOME FACTORS WHICH CONTRIBUTE TO SLOW PLAY.

1. Not being ready to hit from the tee.
2. Delays on tees or greens whilst marking the card.
3. Players waiting with the player shortest of the tee until they have hit their shot, then walking to their own balls.
4. Unnecessary number of practice swings.
5. Delays in locating lost balls.
6. Lack of discretion in going through a group that has lost a ball.
7. On the green, unnecessary marking of balls and players not continuing to putt out.
8. Players not using the time on the green, whilst waiting their turn to assess their own putt.
9. Incorrect handling of the flag on the green.

10. Leaving buggies around the green on the wrong side to the tee.

HERE ARE SOME POINTS THAT MAY HELP US TO CURB SLOW PLAY

1. Select club and ball whilst other players are having their shots.
2. Always mark the card whilst awaiting your turn at the tee.
3. Walk directly to your own ball, or level with same, and select club to be used whilst waiting for the others to have their shots.
4. It is agreed that each player has his own preference in this matter, but practice swings should be limited by discretion.
5. If after a reasonable period, it is apparent that you are holding up play, call the next group through.
6. If called ahead as in #(5) but immediately afterwards the ahead locate their ball and evidently play will proceed faster if they continue, you should signal them to go ahead. NOTE: The discretion is in the hands of the team called through and not the players that were lost.
7. On reaching the green and your ball, study the line of your putt immediately. When it is your turn to putt, try, and whenever possible, putt right out. Marking the ball is sometimes necessary, but not always, and should be avoided.
8. Wherever possible, a player should have assessed his own putt for direction and speed whilst other players are putting, providing, in doing so, no interference is caused by the player.
9. The player nearest the hole should attend the flag and then pass to the first player to hole out, then appraise their own putt.
10. Always place your buggy adjacent to the approach to the next tee.

CANCELLATIONS

If you find it necessary to cancel or if you are unable to hit-off at the time reserved, you are expected to inform the golf shop accordingly (**by 4.00 pm THE DAY BEFORE the scheduled event**), in order that another player may be given the opportunity to play, and your partner or opponents are informed of the change. If a Member or visitor is found to be in breach of this By-Law on three or more occasions (within a twelve Month period), the Member or visitor's playing rights with this Club will be suspended for a period of two (2) Months.

HANDICAP REVIEW

The Golf Sub-Committee may from time to time approve the alteration of a Member's handicap if, in its absolute discretion and having regard to all circumstances including the Member's results in any form of competition, it considers that the change is warranted under the handicap system which the Club follows. The Member shall have no right to make any representations to the handicapper or to the Golf Sub-Committee in relation to any proposed alteration of the Member's handicap.

It is the handicapper's aim to arrange handicaps in order that all competitors may have a reasonable chance of success. Members are requested to assist in this respect by returning all competition cards whether the round is completed or not. Handicaps of players will be reviewed on the day of the event in accordance with the guidelines set down by Golf Australia.

RESPONSIBILITY

Each competitor holds a position of trust in respect of the whole field of players. It is his duty not only to play the game, but to see that his partner and his fellow competitors play the game strictly in accordance with the rules of golf (and local rules), that scores are correctly marked and that the etiquette of golf is observed.

CORRECT MARKING AND RETURN OF SCORE CARDS

Your attention is drawn to the Rules of Golf governing the correct keeping of score. E.g. (a) Rule 6- Section 6, (b) Rule 31- Sections 4 and 7, (c) Rule 32- Section 1(b). Members are required to complete score cards and hand them in immediately on completion of the round. Members please note, incomplete cards are required to be handed in.

THE MARKERS

In the absence of Blue Markers on the teeing area, players shall hit-off from permanent markers.

All competitions, unless otherwise specified, shall be played off the Blue Markers.

NOTICE BOARD

Members should make a habit of checking the notices on the board before play each day to make sure of any deletions or additions to temporary local rules, etc.

MIXED COMPETITION PLAY

The following conditions will apply:

- (a) In 2 Ball events, Lady Members shall play off a full handicap in stableford and par events.
- (b) In foursome events, Lady Members shall play from their own tee.

TIES IN COMPETITION PLAY

A play-off for a tie in a major event shall be determined by the Committee according to the circumstances and conditions involved. A tie in a Monthly Medal will be played off in the following Medal round and where two competitions are being held on that day, all players involved in the tie must play in the same competition. In all other events a count back shall be used to decide the winner.

A tie for the Club Championship (Scratch) and Foursomes Championship will require a play-off over four (4) holes on the day. Holes 10, 11, 17 and 18 will be used. If the scores are still tied after the four hole play-off, then sudden death over the same holes will apply.

GENERAL INFORMATION

All Members are registered with the NSW Golf Association. On receiving an Australian handicap you are then qualified to enter OPEN EVENTS on other courses.
